R.C.A.F. PARA STUDENTS MAKE FIRST JUMP—At the half way mark in their training 16 students of the R.C.A.F.'s third para-reef course made their initial jump at Stnape airport near Edmonton. First student to jump was Cpl. Perrell (Bazzy) Deschamps, Ottawa, (left). All students wanted to be first, but Cpl. Deschamps won when his name was drawn from the hat. Shown with him are three students, first to jump as a team. Plus Officer (Flying Officer) Marion Kelly, (second from right), is the first R.C.A.F. nurse ever to have jumped in Canada. From left to right are Cpl. Deschamps, Cpl. Hart, Campbell, Chatham, M.R. Pilot Officer Kelly, Middleton, Annapolis County, N.S., and Sgt. George Westwood, Windsor and Ottawa. R.A.F. WAR HERO PILOTS RECORD-BREAKING JET—England's record-breaking twin jet Canberra light bomber is shown at Billmire airport after its arrival from Canada, Newfoundland. The plane flew from Northern Ireland to Canada in the record time of four hours, 10 minutes to crack officially the unofficial east-west record of four hours, 40 minutes without refueling, set by another Canberra last February. Walking away from the plane are (from left): Crewman Robert Rylands, Pilot Roland P. Beaumont, a wartime hero of the R.A.F., and D. A. Watson—Central Press Canadian.

C.N. HEAD FRAMES ALERT ENGINEER—Public recognition was given C.N.R. engineer Frank J. Bok, (right), the naval engineering expert of Montreal, Quebec, Ont., from instructions by Mr. Prime Minister president of C.N.R. himself, Donald Gordon, (left), who, while on inspection tour of southern Ontario railways, congratulated Mr. Bok on the quick thinking. Police and Marshall had been using narcotics for 15 years, starting to get money to buy drugs. The raiders seized \$20,000 worth of heroin in the raid, which officers say amounted to \$1,500,000-a-year nation-wide dope ring—Central Press Canadian.

SHADES OF “THE GOOD OLD DAYS”—Along north shore of St. Lawrence river, 400 miles east of Quebec City, lies village of Mingan port, modern Utopia to home-hungry Canadians. All but two of the families in this remote little fishing village are Indians. Although all Indian families own houses, they seldom use them, preferring to live in tents pitched on their yards. BRITISH SHIP RETURNS TO HONG KONG—Covered with rust, the 14,000-ton British “Liberty” ship, Henry Abbott, arrived in Hong Kong harbor after 12 months’ detention by the Chinese Nationalists at Formosa’s Chinese port. The Nationalists claimed that the ship had been sold to the Chinese Communists and that they were legally entitled to seize it. The British authorities reported that all necessary arrangements had been made for the sale of the ship no payment had been received and therefore the vessel was still British-owned. The matter was settled amicably and the British were allowed to tow the ship back to Hong Kong.

The 55-year-old Kingston, Ont., man died instantly when, after cutting throttle on his craft, No. 11, he was struck from behind by another craft driven by George Palford, Jr., of Brockville, Ont. Race officials ruled accident, not safety of Canadian powerboat racing season as “unavoidable.” Photo shows rescuers pulling Kingston man from water, while thousands of spectators watched—Central Press Canadian.
